

## Topics

Supratentorial brain surgery  
Brainstem surgery  
Spinal surgery  
Anesthesia  
Others

## Submission Procedure

1. Abstracts must be submitted **in English in Word format via email** to the designated submission address. E-mail : [isin2025@huddle-inc.jp](mailto:isin2025@huddle-inc.jp)
2. Submissions sent by other formats (e.g., PDF) or through online portals will not be accepted.
3. During submission, please indicate your preferred topic area in the email or in the Word document.
4. The scientific review committee reserves the right to adjust the selected topic as necessary for the final program structure.
5. All abstracts must be submitted no later than the announced closing date. Late submissions will not be accepted.

## Abstract Requirements

Your abstract submission must include the following:

- ★**Title:** Use sentence case. Do not include company or product names in the title.
- ★**Authors:** List authors in the correct order. Each name should include the full first name followed by the family name, omitting academic titles (e.g., Dr., Prof.).
- ★**Affiliations:** List department/institution, city, and country, properly indexed to the respective authors.
- ★**Text Body:** Structure your abstract clearly into four sections, each labeled:
  - **OBJECTIVE:** Clearly state the background and purpose of the study.
  - **METHODS:** Briefly describe the design and methodology.
  - **RESULTS:** Include key findings with numerical data and, if applicable, statistical significance.
  - **CONCLUSIONS:** Summarize the key implications of the results. Funding Source (if applicable)References (if applicable), to be cited in-text using parentheses. Optional: One figure or one table may be included.

## Formatting & Other Rules

The abstract must be written in clear, grammatically correct English.  
Maximum length: **250 words** total (**Not including** title, authors, affiliations, references).  
Avoid using abbreviations, except for commonly accepted terms.  
As abstracts will be peer-reviewed anonymously, the text must not contain institutional affiliations.  
The material must be unpublished at the time of submission.  
Only co-authors listed on the abstract are eligible to present.  
Abstracts will be reviewed by the Scientific Review Committee, and selected submissions will be invited for presentation at the AOSIN2025.

## Important Dates

Abstract Submission Deadline: ~~October 10th, 2025~~ **October 13th, 2025**  
Notification of Acceptance: **October 20th, 2025**

## Presentation Format

All accepted abstracts will be presented as ePosters.  
With an evaluation by the Scientific Review Committee, the top two will be selected for oral presentation.
